*Abu Muhammad al-Maqdisi (Screamed in a courtroom during trial, July 2011)*

“Putting us in jail will not dissuade us from supporting the mujahedeen [in Afghanistan]. We will continue to support them, even if you sentence us to death. We will continue to be fighters until the day we die.” (Screamed in a courtroom during trial)<sup>1</sup>

*Abu Muhammad al-Maqdisi (Interview with Al Jazeera, on an ‘Islamic Nation’, July 5, 2005)*

“My project is to bring back to the Islamic Nation its glories and to establish the Islamic state that provides refuge to every Muslim, and this is a grand and large project that does not come by small vengeful acts. It requires the education of a Muslim generation, it requires longterm planning, it requires the participation of all the learned men and songs of this Islamic nation.”<sup>2</sup>
